Main Attractions

What main films will play at the Garden? This section lists the Main Attractions that we intend to play in the coming weeks. Additional unlisted films will also become available. This list is only an educated guess, though, since film release plans often change.

When will these main films play?
Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

For our latest Main Attractions plans, visit: PrincetonGardenTheatre.org (Or call our hotline at 609-279-1999.)

ANNUAL REPORT
PRINCETON GARDEN THEATRE

A MESSAGE FROM THE GARDEN

In 2011, Princeton University reached out to upstart the Princeton Garden Theatres. We jumped at the opportunity to open this classic theater as an economically-based nonprofit organization. After extensive renovations, we reopened the doors on July 4, 2011.

This report highlights our first two years of operations as a community-based nonprofit theater.

The Garden Theatre is a perfect venue to screen great movies and engage the Princeton community—both town and university. As we look back on our screenings and special events, we are very happy with the broad variety of programs and the great number of community partners. We are excited about offering even more diverse programs in the future.

We hope that your visit to the theater is enlightening, educational, and entertaining. We will work hard to make the Garden Theatre even better as we move forward. Thank you for your support.

READ OUR FIRST ANNUAL REPORT ONLINE

It covers our first two years of operations as a community-based nonprofit theater with sections on our programming, special guests, community partnerships, finances, and our plans for the future.

PrincetonGardenTheatre.org/report
Dear Friends of the Princeton Garden Theatre,

Thank you for your support of the nonprofit Princeton Garden Theatre. We are more than just a movie theater. The mix of art films, foreign films, filmmaker appearances, special guests, and screenings of theater and other lively arts has brought an engaged audience to our nonprofit theater. Many of these events are done with community partners.

Ticket sales alone are not enough to sustain operations. What we do is more expensive than just screening mainstream films as our predecessors did. We rely on your support to run the theater in a bold and exciting way.

Please consider making a tax-deductible Gift to help maintain this cultural asset. Your additional gift makes it possible for us to continue to improve the theater, to present diverse programming, and to operate in a sustainable way. Your support allows us to be a cultural resource for the community.

Make your tax-deductible Gift today in one of two ways: (1) by mail, using the form below, or (2) online at PrincetonGardenTheatre.org/donate.

THANK YOU.
